Folks,

Life, Marriage, and Traditional Family Values are not Republican or Democratic Issues... these are Biblical Issues. Below is a web link that needs 2.42 minutes. I pray that in the days to come there will be Democrats and Republicans who will lead with the caliber of courage and the depth of conviction about standing for the truth of God in the public square. Pray that ministers and Christians in America will repent of cowardice in the face of the enemy by allowing our nation to be taken hostage to secular myths. Pray with me that the Body of Christ will get a backbone in our lifetime and stand for what the Bible teaches as important.

In His Service, Russell

Russell / Bill –

We are in the final stretch, as you well know. We are also on the verge of history and it feels really good. But today isn't the time to rest, even if it is Good Friday.

I am writing to you as private citizens, away from your responsibilities at Fairfield Christian and the Ohio Restoration Project.

Below I have copied a sample message that contains a link to a 2½ minute video on Ken and his issues. Perhaps you have already received the link and watched the video. I think it is very good.

We need to get this video out into circulation. Just as with the DVDs, this video helps people understand who Ken Blackwell is. While you can't use the Patriot Pastors list to circulate it, I am hopeful you will use your personal network to get it around.

Thanks for your continued prayers and steadfast support.

Dear Friends,

We encourage you to take a moment and click on the following link to watch an important video message about Ken Blackwell, Republican candidate for Governor of Ohio.

<http://www.kenblackwell.com/Blog/BlogPost.aspx?ID=437>

Ohio is in serious need of change and Ohioans need a leader who has the courage and wisdom to make the kind of tough, yet necessary changes we need right now. Ken Blackwell is that kind of leader and has the passion and unwavering commitment to restore Ohio to greatness.

If you are a Republican, please go to the polls on May 2nd and vote for Ken Blackwell to be the Republican candidate for Governor. If you are undecided, please set aside for now the issue of Republican versus Democrat and think about the type of man you want to lead Ohio. From our perspective, Ohioans are fortunate to have Ken Blackwell running for Governor because he is, without a doubt, the most qualified, compassionate and respected man we could hope for to be our next Governor .

Thank you for taking time to watch this video and we hope you will join us in our quest to elect Ken Blackwell to be our next Governor.
